

2.1 speaker system

A small system that takes on any challenge, the Octane 7 punches heavy sound. A lot more than meets the eye, this versatile system is packing seven custom-designed drivers. Unique down-firing midrange drivers hidden inside each satellite speaker blast waves which reflect from a hard surface, sending sound rocketing in all directions. A sharp, compact design lets this astonishing system fit in easily with your style. With the monster subwoofer pushing serious bass and the midrange drivers flooding the room with warm sound, this is a small system that delivers enormous sound. Plug in your computer or device and get serious audio in any situation.
